- 7. Safety – All gun safety rules will be followed by everyone using the laser range. We will start with a safety orientation and explain the rules. Everyone must comply with the direction of the Range Safety Officer at all times. No firearms are allowed in the laser range.**
- 8. Cleanup – Please police your area before you leave. Thank you!**

Things to do to open Laser Range

- **Check all M-16 soft shot rifles for proper operation (audit battery packs to determine if they need to be rebuilt).**
- **Mount laser and zero laser on all M-16 laser rifles.**
- **Study info regarding screen calibration & we will attempt to calibrate laser/target screen accuracy.**
- **Develop Birthday party program by studying each game to include how long it would take to get through them.**
- **Determine how or if to keep score and if to give prizes.**
- **Develop safety orientation and laser range SOP.**
- **Develop food package details. Make list of items required for inventory ie: paper plates, plastic ware, napkins, drinks and so on.**
